

FutureOxford

Join the Future Oxford Collective

The Future Oxford Collective is a group of volunteers and partners who are advancing the [Future Oxford Plan](#) through collaboration, education and promotion. We are currently looking for up to 15 thought partners with experience, expertise and/or interest in:

- Agriculture
- Education
- Energy
- Government
- Healthcare
- Heavy industry / manufacturing / distribution and logistics
- Innovation
- Non-profit sector
- Poverty
- Small business ownership
- Technology
- Waste diversion
- Workforce

This is a volunteer opportunity for people who live or work in Oxford County. For a full description of our work and what is required of volunteers, please see the **Future Oxford Application Information Package**.

To apply, please complete the membership application below and submit it to info@futureoxford.ca. If you have questions, please email info@futureoxford.ca.

EXPERIENCE & EXPERTISE

What areas / disciplines do you have expertise in?

Our priorities are driven by opportunities and needs that address the root cause of issues by influencing the behaviour of populations, organizations, and institutions. Please describe your skills, interests, and experience that will help you assess the merit and viability of efforts to address Oxford's most challenging issues.

OPTIONAL QUESTION: COMMITTEE EXPERIENCE

Do you have any previous experience on committee, partnership, advisory group? Y/N
If yes, please specify.

OPTIONAL QUESTION: TELL US ABOUT YOURSELF

As an organization responsive to community needs, we encourage a broad cross-section of applicants in order to reflect the diversity of communities across Oxford, including persons with disabilities and those of different ages, income levels, gender identities, geographic locations and backgrounds. At your discretion, please describe how your experience represents / reflects the communities we seek to serve.
