

International Renewable Energy Academy in Oxford County

The 2nd annual International Renewable Energy Academy (IREA) is coming back to Oxford County with a free presentation on how communities can work together to achieve their sustainable energy goals.

SPEAKERS

Jose Etcheverry

Co-Chair & Professor, York University Sustainable Energy Initiative

Graham Cubitt

Director, Projects & Development, Indwell

Emma Cubitt

Lead Architect, Invizij Architects Inc.

ATTEND THE ACADEMY

Interested in the full four-day Renewable Energy Training Intensive (April 3-7, 2018) in Toronto and Oxford County? Participants will learn how to scope out, design and implement their own renewable energy installation.

Visit <http://rea.info.yorku.ca/> for itinerary and registration.

Residents may attend any of the IREA education events taking place in Oxford County. Visit www.futureoxford.ca for more details.
